Boil Water Rescind Notice

On August 4, 2020, the Texas Commission on Environmental Quality (TCEQ) required our public water system, Weston WSC, PWS ID 0430050 to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of 11:30 a.m. on August 7, 2020

If you have questions, contact the Patterson Office at 903-429-3008.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
